

Golf clinic scheduled to be held on June 28

The 14th annual Women's Cup Challenge and Beginner Golf Clinic, sponsored by Abilities First, Inc., will be held on June 28 at Beekman Country Club in Hopewell Junction.

The event is open to all women golfers regardless of ability or experience.

The full day of activities begins at 8 a.m. There will be workshops and clinics for beginning golfers throughout the morning and afternoon. There will also be a team scramble tournament for more experienced golfers. In the past, LPGA touring professionals have been on hand to offer their expert advice.

"What I like about the day is that it provides an opportunity for all levels of players to join together at one time," said Helen West, the general manager and director of golf at Beekman for the past 11 years.

Beginner golfers will get the opportunity to play three holes of golf after their clinics. The team scramble will have prizes for the top three teams. There will also be a prize awarded for the "most mod golf outfit."
